VIVEKANANDA PRABODHINI

TWO-YEAR FOUNDATION COURSE

INTRODUCTION

Competitive Examinations are different from the normal Examinations, which enable us get our degrees and diplomas. In addition to getting good marks, one has to outsmart others to become successful in Competitive Examinations. Hence, being successful in Competitive Examinations needs more and different skills, in addition to knowledge. This Foundation Course is especially designed to equip students with the necessary skills to become successful in Competitive Examinations, more specifically in the UPSC Civil Services Examination (IAS, IPS, IFS).

OBJECTIVES OF THE COURSE

1. To help students understand their strengths and weaknesses and help them to maximise and convert their strengths and minimise their weaknesses.
2. To help students develop certain skills such as analysis, synthesis, and retention of information, knowledge, time management, goal setting, decision making, creative thinking, etc.
3. To inculcate values such as patriotism, compassion, social service, integrity, etc.
4. To expand the horizon of knowledge for students.
